How to Draw a Cute Ramen Bowl in 8 Easy Steps

Step-by-step visual beginner guide • Follow along in your sketchbook!

1. Draw Oval Bowl Rim

Sketch an elongated, smooth horizontal oval for the bowl's upper ceramic rim.

2. Lay Chopsticks on Rim

Lay two parallel chopsticks resting diagonally across the rim from left to right.

3. Deep Curved Bowl Base

Sweep a deep, rounded bowl curve beneath the oval to ground your noodle dish.

4. Sliced Chashu & Soft Eggs

Add sliced tender pork cutlets (chashu) and two soft-boiled ramen egg halves.

5. Swirling Ramen Noodles

Draw flowing, energetic wavy noodles swirling underneath the savory toppings.

6. Bamboo Shoots & Mushrooms

Add seasoned bamboo shoots (menma), mushroom caps, and five seasoning dots.

7. Dense Noodle Strands

Fill remaining broth space with intricate, swirling noodle ribbons.

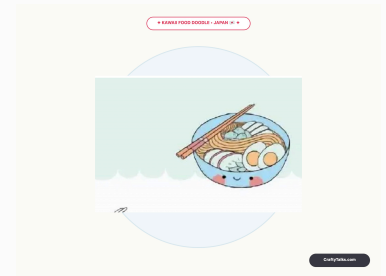

8. Sweet Kawaii Smile Face

Add two happy circular black eyes and a sweet cheerful smile to the bowl!
